- Finishing: The finish line will be the same as the starting line.

- Protests: Protest is discouraged; if infractions occur, please attempt to settle them on the water. Protests shall be sent to the YBYC Race Chair either by placing it in the YBYC mailbox at the clubhouse or by mail with a postmark date no later than the day following the race in which the incident occurred. This changes RRS rule 61.3. The RRS protest form available at [www.ussailing.org](http://www.ussailing.org) shall be used. Parties to a hearing will be notified of the date, location and time of their hearing.
- Scoring: The Portsmouth Yardstick time on time handicapping method will be used to calculate corrected times. Each series will be scored separately. Each skipper’s two worst scores will be excluded from her series score, if enough races are sailed. Each skipper’s season score will be the sum of their series scores. Keelboats without a current Portsmouth Yardstick rating available on the US Sailing website will be assigned ratings by the YBYC Race Chair based on the information posted on the Portsmouth Yardstick page of the US Sailing website. Non-YBYC members are not eligible to win season or perpetual trophies.
- Committee Boat: Each competing boat/crew should serve as the race committee boat for at least one race per series or as needed. A boat serving as committee will receive a number of points for the race in which they serve as committee equal to their average score for all races in the series including DNF and DNS.

Prior to the first race of the series, all skippers will have the opportunity to sign up for the night they wish to be committee boat. Committee boat duty may be assigned by the

YBYC Race Chair if skippers do not sign up in a timely manner.
